Graded Death Benefit Limitation

Our guarantee to accept all applicants age 50 to 80 is made possible by a Graded Death Benefit Limitation. It applies to the first two years of coverage when the policy is issued. If death occurs within the first two policy years for any reason other than an accident, all premiums plus 10% interest shall be paid to the beneficiary. If death is due to accidental causes within the first two policy years, the full death benefit shall be paid to the beneficiary. Applicant may qualify for a full death benefit policy that provides full benefits from inception.

After the two-year Graded Period, if the insured dies for any reason, the full face amount of the policy shall be paid to the beneficiary. If the insured dies by suicide within two years from the Issue Date, the only amount payable will be the premiums paid for the policy plus 10%, less any debt against the policy.

Exclusions and Limitations

Accidental Death: Death is considered accidental if it occurs as a direct result of, and within 180 days of, an accidental bodily injury. In order to qualify as a death from accidental causes, the death must occur while the policy is in force and within 180 days following the date of the accidental injury as defined further by the policy.

Exclusions: A Death Benefit will not be paid for an Accidental Death if it is an infection not occurring as a direct result or consequences of the Accidental Bodily Injury, and/or if it is caused or contributed by: disease or infirmity of mind or body or medical or surgical treatment for such disease or infirmity; any attempt at suicide, or intentionally self-inflicted injury, while sane or insane; travel in or descent from an aircraft, if the Insured acted in a capacity other than as a passenger; travel in an aircraft or device used for testing or experimental purposes, used by or for any military authority, used for travel beyond earth's atmosphere; active participation in a riot, insurrection or terrorist activity committing or attempting to commit a felony; occurring

while the Insured is incarcerated; intoxication as defined by the jurisdiction where the accident occurred; riding or driving an air, land or water vehicle in a race, speed or endurance contest; rock or mountain climbing; aeronautics (hang-gliding, skydiving, parachuting, ultra light, soaring, ballooning and parasailing) and/or caused or materially contributed to by voluntary intake or use by any means of any drug, unless prescribed or administered by a physician and taken in accordance with the physician's instructions, or poison, gas or fumes, unless a direct result of an occupational accident.
