"Now, I don't have to fill out and send in any application paperwork"

It's EZ as 1....2....3....

1. **You** make the final expense sale and pre-qualify your client using the new **"application worksheet"**.
2. **You** make the call to **DIMA (800-604-6844)** to initiate the Point of Sale Telephone Interview (**POSTI**) for instant underwriting decision **AND** application paperwork completion!
3. **You** keep the worksheet for your records.....NO need to send in anything and your client's policy will be issued.

Our Paperless Application process will save you time. Our worksheet eliminates the need to fill out and send in any apps, forms, and bank information!

WOW, Paperless Applications will count in our DASH for CASH contest AND save our beautiful trees!

Please Note: By eliminating your need to fill out any paperwork, the time you save will more than offset the few additional minutes required in the paperless process. The worksheet will allow you to have important client and bank information readily available for the Telephone Interview and keep for your records. Using it keeps the process smooth and timely. Please refer to the Paperless Application Instructions.

Final Expense Paperless Application Process Instructions

Agents will no longer be required to fill out an application, HIPAA and Disclosure Forms, Bank Draft or Direct Express Forms and submit these to new business! **It's EZ as 1 - 2 - 3!**

1. **The Agent** makes the final expense sale with client. Using the **application worksheet, Child/Grandchild Supplemental Application**, along with the **Disclosure Form**, the Agent should:
 - a. Pre-Qualify the client, and Children and/or Grandchildren (if applicable), for the correct plan using the health questions as a guideline.
 - b. Gather important client personal, Bank, or Direct Express account information.
 - c. Have all the required disclosures, including HIPAA, to read and give the client in one easy detached form. Included is a conditional receipt should you collect the first premium!
2. **Once worksheet is completed and disclosures read, the Agent** will make the call to **DIMA** (800-604-6844) to initiate the Point of Sale Telephone Interview (**POSTI**) for instant underwriting decision **AND** application paperwork completion! Information from the worksheet, and Child//Grandchild Supp App (if applicable) will be required during this interview from the agent. **Complete and accurate data will make the call smooth and timely.**

Please Note: By eliminating the need to fill out and then send in all paperwork, the time will more than offset the few additional minutes required in the paperless process. The worksheet will allow an agent to have important client and bank information readily available for the Telephone Interview.

DIMA will begin the process as follows:

- a. Ask the Agent client personal and Bank (Direct Express if used to pay premiums) information.
 - b. Speak with your client to obtain, verify, and underwrite the sale. This includes:
 - i. Verify disclosures have been read or given to client, including MIB and HIPAA.
 - ii. Obtain voice signatures for disclosures and application.
 - iii. Verify health questions (same as worksheet).
 - iv. Complete Application and all required Forms.
 - v. Give the Agent an **instant underwriting decision** before you hang up!
 - vi. Instruct DIMA where the policy should be sent: To the Agent or Client.
3. **The Agent** retains the worksheet for their record.....NO need to send in anything and the client's policy will be issued. **EXCEPT FOR THE FOLLOWING:**
 - a. **If the sale is a replacement:** The proper state required replacement form(s) must be completed and signed prior to the call to DIMA.
 - b. **Alabama:** Alabama Arbitration Disclosure Form (#CLIC-ARB-AL)
 - c. **California:** Medical Eligibility Disclosure (#7404.4-0505) Home Meeting Disclosure for 65 & Over (7404.2-0505) Financial Product Disclosure 65 & Over (7404.3-0505)
 - d. **Pennsylvania:** Disclosure Statement (LBL PA DIS (0806)

Agent must note POSTI reference # on the upper right corner for any required form and fax to new business @888-525-5002. Failure to do so will delay policy issue and commissions paid.

This worksheet is necessary to initiate underwriting. Please complete all information before you call DIMA. Once form is completed, please call 800-604-6844 for the application and approval completion process. Agent, Insured, (Owner and/or Payor, if different) must be on the phone at the time of the call. This worksheet contains sensitive information and should be kept secured for your records or destroyed. **Do not send in this form.**

ACCELERATED DEATH BENEFIT PAYMENT RIDER DISCLOSURE

NOTICE: Death benefits, premium payments, and cash surrender values will be reduced upon payment of an accelerated benefit. The accelerated benefits offered under this rider do not and are not intended to qualify as long-term care insurance. The accelerated benefits offered under this rider are intended to qualify for favorable tax treatment under the Internal Revenue Code of 1986. Whether such benefits qualify depends on factors such as your life expectancy at the time benefits are accelerated or whether you use the benefits to pay for necessary long-term care expenses, such as nursing home care. If the acceleration of benefits qualifies for favorable tax treatment, the benefits will be excluded from your income and not subject to federal taxation. However, accelerated benefit payments may be taxable by your state. Tax laws relating to accelerated benefits are complex. You should consult a qualified tax advisor for specific information. Receipt of an accelerated benefit payment may adversely affect your, your spouse's or your family's eligibility for medical assistance (Medicaid), Aid to Families with Dependent Children (AFDC), supplementary social security income (SSI), and drug assistance or other public assistance programs. You should consult with a qualified advisor and with social services agencies regarding how receipt of such payment may affect eligibility for such programs.

PREMIUMS

There is no premium charge for the accelerated death benefit rider.

EFFECT ON POLICY VALUES

After payment of the accelerated death benefit, the death benefit of the policy will be reduced by the amount of accelerated death benefit. Any premium payments, cash values, and other obligations and benefits under this policy, excluding that for riders, will be reduced proportionately. Upon a request to accelerate benefits under this rider, the owner and any irrevocable beneficiary will be given a statement demonstrating the effect of the acceleration of benefits on the cash value, death benefit, premium charges, and policy loans.

AMENDED POLICY SCHEDULE

An amended policy schedule will be sent to you, the owner, and any irrevocable beneficiary upon a request to accelerate benefits and upon payment of this benefit. The schedule will show the reduced death benefit, cash value and premium amounts.

ACCELERATED BENEFIT

A benefit that may be requested by the owner if the insured is terminally ill, or if the insured is chronically ill. Terminal Illness and Chronic Illness are defined below.

MAXIMUM ACCELERATED DEATH BENEFIT

The sum of all accelerated benefit payments may not exceed the smaller of \$250,000 or 80% of the face amount.

CONDITION OF PAYMENT

We will pay an amount up to the maximum accelerated death benefit if we receive proof that the insured (a) has been diagnosed with a terminal illness; or (b) is chronically ill. An administrative expense charge and an interest charge may apply at the time of acceleration.

DEFINITION OF TERMINAL ILLNESS

Terminal illness is considered a disease or illness that is expected to result in the death of the insured within twelve (12) months.

DEFINITION OF CHRONIC ILLNESS

Chronic illness is considered a disease or illness such that the insured is unable to perform at least two activities of daily living or requires substantial supervision as protections from threats to health or safety.

CERTIFICATION OF PHYSICIAN

The certification by a physician must include documentation supported by clinical, radiological, histological, or laboratory evidence of the condition.

PHYSICIAN OF OUR CHOICE

We may require an additional examination by a physician of our choice, and at our expense. If there is a conflict of medical opinion as to the life expectancy of the insured, a third medical opinion that is provided by a physician that is mutually acceptable to the insured and the company will govern.

I have received a copy of this disclosure.
