Important Disclosures
Accelerated Benefit Rider

This briefly describes the provisions of the Accelerated Benefit Rider. Consult your rider for specific information. Please read your policy and rider carefully.

The Accelerated Benefit Rider allows you to elect to receive an advance on the death benefit of the policy when the Insured is diagnosed as having a non-correctable terminal illness which, in the best medical judgment of a physician, will result in the death of the insured within twelve (12) months from the date of the diagnosis. Diagnosis must be made during the time the rider and the policy are in force.

The Accelerated Benefit is equal to fifty percent (50%) of the insured's base policy death benefit. We will pay this amount less any loan (and unpaid loan interest) on the policy, any due and unpaid premium, and an Administrative Service Fee of $250.00. The policy loan and unpaid loan interest will be repaid. There will be no change in premiums. Regular premium payments as specified in the policy will be required in order to keep the policy in force. We will establish a lien against the death benefit of the policy equal to the amount of the Accelerated Benefit, plus accrued interest at the Accelerated Benefit interest rates. At the death of the insured, we will deduct the lien from the death benefit of the policy. If the Policy has a Surrender Value, the total amount of the lien and any policy loans and loan or lien interest will be deducted from the Surrender Value of the policy. If the total of all liens, loans and loan interest equals or exceeds the death benefit of the Policy, the Policy will terminate.

IF AN ACCELERATED BENEFIT IS PAID THE POLICY DEATH BENEFIT AND SURRENDER VALUE WILL BE REDUCED. RECEIPT OF ACCELERATED BENEFITS MAY BE TAXABLE. YOU SHOULD CONSULT YOUR PERSONAL TAX ADVISOR TO DETERMINE THE CURRENT TAX CONSEQUENCES PRIOR TO MAKING ANY ELECTION.

The rider may affect your ability to receive certain government benefits or entitlements. The Accelerated Benefit may be considered an asset in determining eligibility. You should contact your local Medicaid Unit and the Social Security Administration for more information.

The Accelerated Benefit Rider is not long-term care insurance and does not provide long-term care benefits.

There is no premium charge for the rider; however, there is a $250 Administrative Service Fee for processing an Accelerated Benefit payment.

I hereby acknowledge that I have received a copy of this statement. I understand that there is no premium charge for the rider, but there will be a $250 Administrative Service Fee for processing an Accelerated Benefit payment. I understand that the rider may affect my ability to receive certain government benefits or entitlements and that receipt of an Accelerated Benefit may be taxable.

NOTICE REGARDING REPLACEMENT OF LIFE INSURANCE AND ANNUITIES

You have indicated that you intend to replace existing life insurance or annuity coverage in connection with the purchase of our life insurance or annuity policy. As a result, we are required to send you this notice. Please read it carefully.

Whether it is to your advantage to replace your existing insurance or annuity coverage, only you can decide. It is in your best interest, however, to have adequate information before a decision to replace your present coverage becomes final so that you may understand the essential features of the proposed policy and your existing insurance or annuity coverage.

You may want to contact your existing life insurance or annuity company or its agent for additional information and advice or discuss your purchase with other advisors. Your existing company will provide this information to you. The information you receive should be of value to you in reaching a final decision.

If either the proposed coverage or the existing coverage you intend to replace is participating, you should be aware that dividends may materially reduce the cost of insurance and are an important factor to consider. Dividends, however, are not guaranteed.

You should recognize that a policy which has been in existence for a period of time may have certain advantages to you over a new policy. If the policy coverages are basically similar, the premiums for a new policy may be higher because rates increase as your age increases. Under your existing policy, the period of time during which the issuing company could contest the policy because of a material misrepresentation or omission concerning the medical information requested in your application, or deny coverage for death caused by suicide, may have expired or may expire earlier than it will under the proposed policy. Your existing policy may have options which are not available under the policy being proposed to you or may not come into effect under the proposed policy until a later time during your life. Also, your proposed policy's cash values and dividends, if any, may grow slower initially because the company will incur the cost of issuing your new policy. On the other hand, the proposed policy may offer advantages which are more important to you.

If you are considering borrowing against your existing policy to pay the premiums on the proposed policy, you should understand that in the event of your death, the amount of any unpaid loan, including unpaid interest, will be deducted from the benefits of your existing policy thereby reducing your total insurance coverage.

After we have issued your policy, you will have 20 days from the date the new policy is received by you to notify us you are cancelling the policy issued on your application and you will receive back all payments you made to us.

You are urged not to take action to terminate or alter your existing life insurance or annuity coverage until you have been issued the new policy, examined it and have found it acceptable to you.
