Assuming all the other conditions under this paragraph have been met, if Royal Neighbors, in accordance with its rules, would have issued the Certificate for a lesser amount than applied for, and the premium paid was at least equal to the premium that would have been required for the issuance of a certificate at this new face amount, then the death benefit payable under the receipt shall be such as the premium paid would have purchased.
b) All medical examinations, records, and tests required by Royal Neighbors must be completed and received at the Home Office of Royal Neighbors.
c) As of the effective date, as defined below, the Proposed Insured must be a standard risk under rules and practices of Royal Neighbors for the plan and the amount of life insurance applied for, without change and at the rate of premium paid.

## Notice of Potential Modified Endowment Contract

Section 7702A of the Internal Revenue Code places a limit on the amount and timing of premium payments for a life insurance contract. If the limit is exceeded, the contract becomes a Modified Endowment Contract (MEC).

Death benefits under a MEC are income tax free to the beneficiary. Any other value received from a MEC is referred to as a "distribution" and may result in an income tax liability. Distributions include cash withdrawals; cash surrender of the contract, loans, and assignment of the contract to another person or institution.

Distributions are first considered to be any gain under the contract and the gain is taxable in the year that it is received. In addition, a taxable distribution is subject to a 10% tax penalty if the taxpayer has not attained age 59 ½, subject to certain exceptions contained in the tax code. Also, distributions received in the two year period prior to the date the contract becomes a MEC may be taxable.

Distributions that exceed the gain under the contract are not taxable.

Tax laws are subject to change.

**Accelerated Gross Death Benefit Rider – Terminal Illness  
Rider Disclosure Statement**

The rider provides prepayment, to the Owner, a portion of the Death Benefit of the Certificate to which the rider is attached when Royal Neighbors receives written proof that the Insured has been certified by a Physician as having a Terminal Illness pursuant to the terms of the rider. There is no premium or cost of insurance charged for the rider.

**IMPORTANT NOTICE**

**This is a life insurance rider providing for an accelerated gross death benefit payment of the certificate to which it is attached. Payment of an accelerated gross death benefit will result in a reduction of the gross death benefit and cash, loan or accumulation values of the certificate and either premiums or cost of insurance charges, as applicable.**

**Although the payments made under this rider are intended to qualify for favorable tax treatment under Section 101(g) of the Internal Revenue Code, as amended, receipt of accelerated gross death benefits may be taxable or may affect the owners' eligibility for benefits under state or federal law. The owner should consult with her or his personal tax advisor and social service agencies before requesting accelerated death benefits under this rider.**

Royal Neighbors will pay the accelerated benefit, at the Owner's request, subject to the provisions of the rider, if the Insured is diagnosed as having a Terminal Illness. A Terminal Illness is an illness or physical injury, certified by a Physician, which is reasonably expected to result in a drastically limited life span for the Insured. The Terminal Illness cannot be the result of an intentional self-inflicted injury.

Upon written request by the Owner of the certificate, Royal Neighbors will pay an accelerated death benefit described below, subject to the limitation and requirements outlined in the Accelerated Gross Death Benefit Rider. Any assignee or irrevocable beneficiary must consent before Royal Neighbors pays an accelerated death benefit.

The Owner may request an acceleration of a portion of the death benefit in an amount not to exceed the lesser of 90% of the eligible coverage or \$450,000. Amounts accelerated under this rider and other accelerated benefit rider issued by Royal Neighbors covering the Insured will count toward that maximum.

Any accidental death coverage provided in the Certificate or by a rider, if any, will not be affected by the payment of the accelerated benefit under the rider.

Payment of an accelerated gross death benefit will result in a reduction of the gross death benefit and cash, loan or accumulation values of the certificate and either premiums or cost of insurance charges, as applicable.**

**Choosing this rider may affect the Owner's eligibility for high deductible health insurance plans. The Owner should consult with her or his personal tax advisor and social service agencies before requesting accelerated death benefits under this rider.**

Royal Neighbors will pay the accelerated benefit, at the Owner's request, subject to the provisions of the rider, if the Insured is diagnosed as having a Critical Illness. A Critical Illness is defined in the rider as one or more of the following:

1. Cancer
2. Heart Attack
3. Stroke
4. Paralysis
5. End Stage Renal Failure
6. Major Organ Transplant

Upon written request by the Owner of the Certificate, Royal Neighbors will pay an accelerated death benefit described below, subject to the limitation and requirements outlined in the Accelerated Gross Death Benefit Rider. Any assignee or irrevocable beneficiary must consent before Royal Neighbors pays an accelerated death benefit.

The Owner may request an acceleration of a portion of the death benefit in an amount not to exceed the lesser of 25% of the eligible coverage or \$100,000. Amounts accelerated under this rider and any other accelerated benefit rider issued by Royal Neighbors covering the Insured will count toward that maximum.

Any accidental death coverage provided in the Certificate or by a rider, if any, will not be affected by the payment of the accelerated benefit under the rider.

A \$250 Administrative Fee will be charged at time of acceleration.

The following charts show the effect of an accelerated benefit payment for a both a Universal Insurance and a Whole Certificate. The examples shown are illustrative only and are not intended to show actual values.

## **Important Notice: Replacement of Life Insurance or Annuities**

This document must be signed by the applicant/petitioner and the producer, if there is one, and a copy left with the applicant.

You are contemplating the purchase of a life insurance certificate (policy) or annuity contract. In some cases this purchase may involve discontinuing or changing an existing policy or contract. If so, a replacement is occurring. **Financed purchases are also considered replacements.**

A replacement occurs when a new certificate (policy) or contract is purchased and, in connection with the sale, you discontinue making premium payments on the existing policy or contract, or an existing policy or contract is surrendered, forfeited, assigned to the replacing insurer, or otherwise terminated or used in a financed purchase.

A financed purchase occurs when the purchase of a new life insurance certificate (policy) involves the use of funds obtained by the withdrawal or surrender of or by borrowing some or all of the policy values, including accumulated dividends, of an existing policy to pay all or part of any premium or payment due on the new certificate (policy). **A financed purchase is a replacement.**

You should carefully consider whether a replacement is in your best interests. You will pay acquisition costs and there may be surrender costs deducted from your policy or contract. You may be able to make changes to your existing policy or contract to meet your insurance needs at less cost. A financed purchase will reduce the value of your existing policy and may reduce the amount paid upon the death of the insured.

We want you to understand the effects of replacements before you make your purchase decision and ask that you answer the following questions and consider the questions on the back of this form.

1. Are you considering discontinuing making premium payments, surrendering, forfeiting, assigning to the insurer, or otherwise terminating your existing policy or contract?  **Yes**  **No**
2. Are you considering using funds from your existing policies or contracts to pay premiums due on the new certificate (policy) or contract?  **Yes**  **No**

If you answered "yes" to either of the above questions, list each existing policy or contract you are contemplating replacing (include the name of the insurer, the insured or annuitant, and the policy or contract number if available) and whether each policy or contract will be replaced or used as a source of financing:

Make sure you know the facts. Contact your existing insurer or its agent for information about the old policy or contract. If you request one, an in force illustration, policy summary or available disclosure documents must be sent to you by the existing insurer. Ask for and retain all sales material used by the field representative (agent) in the sales presentation. Be sure that you are making an informed decision.

**Submit completed form with the application – Provide a copy of completed form to the applicant.**

A replacement may not be in your best interest, or your decision could be a good one. You should make a careful comparison of the costs and benefits of your existing policy or contract and the proposed certificate or contract. One way to do this is to ask the insurer or agent that sold you your existing policy or contract to provide you with information concerning your existing policy or contract. This may include an illustration of how your existing policy or contract is working now and how it would perform in the future based on certain assumptions. Illustrations should not, however, be used as a sole basis to compare policies or contracts. You should discuss the following with your agent or field representative to determine whether replacement or financing your purchase makes sense:

**Premiums:**

- Are they affordable?
- Could they change?
- You're older—are premiums higher for the proposed new certificate?
- How long will you have to pay premiums on the new certificate? On the old policy?

**Certificate (Policy) Values:**

- New certificate(s) usually take longer to build cash values and to pay dividends.
- Acquisition costs for the old policy may have been paid, you will incur costs for the new one.
- What surrender charges do the policies have?
- What expense and sales charges will you pay on the new certificate?
- Does the new certificate provide more insurance coverage?

**Insurability:**

- If your health has changed since you bought your old policy, the new one could cost you more, or you could be turned down.
- You may need a medical exam for a new certificate.
- Claims on most new certificate(s) for up to the first two years can be denied based on inaccurate statements.
- Suicide limitations may begin anew on the new coverage.

**If you are keeping the old policy as well as the new certificate:**

- How are premiums for both policies being paid?
- How will the premiums on your existing policy be affected?
- Will a loan be deducted from death benefits?
- What values from the old policy are being used to pay premiums?

**If you are surrendering an annuity or interest sensitive life product:**

- Will you pay surrender charges on your old contract?
- What are the interest rate guarantees for the new contract?
- Have you compared the contract charges or other policy expenses?

**Other issues to consider for all transactions:**

- What are the tax consequences of buying the new policy?
- Is this a tax free exchange? (See your tax advisor)
- Is there a benefit from favorable "grandfathered" treatment of the old policy under the federal tax code?
- Will the existing insurer be willing to modify the old policy?
- How does the quality and financial stability of the new insurer compare with your existing insurer?
